

Always Working Artists & The Big Hoo Haa Present  
**IMPROVILICIOUS:**  
The Improvised Guide to High School

**(For Immediate Release)** Do your kids need help at school? Wanna relive the glory days of year 8?

Bring your tweens, teenagers and repressed adolescence to our impro-larious, edu-comical, help-errific guide to school bullies, mean girls and tyrannical teachers. It's improvised comedy created especially for 9 – 15 year olds, and anyone who takes guilty pleasure in "High School Musical" or "Degrassi High".

Short scripted scenes written by comedy genius Jimmy James Eaton, resonate with young audiences (think *Diary of a Wimpy Kid*) and set the stage for our childlike comedians Ben Russell and Cassandra Vaglivello to ramp up the interaction and hilarity with theatre sports-style games. Using audience suggestions and participation as they improvise their way through a typical first day at school, we guarantee that no two shows are the same.

Brought to you by the guys behind hit kids show at the 2014 Comedy Festival, "Improvilicious – the Improvised History of Theatre".

*"If you're a die hard comedy fan with a family, this is one of the hottest tickets in town"*
